2022 RULES

Game Rules:

1. At the start of each game, captains from both teams meet at midfield for the coin toss to determine who starts with the ball.
2. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. Possession changes to start the second half to the team that started the game on defense.
3. The offensive team takes possession of the ball at its 5-yard line and has four (4) downs to cross midfield. Once a team crosses midfield, it has four (4) downs to score a touchdown.
4. If the offense fails to score after crossing midfield, the ball changes possession. A team may elect to punt on 4th down, and the new offensive team starts its drive on its own 5-yard line. If the offensive team elects to go for it on 4th down and fails, the opposing team will have the option to take over at its own 5 or the spot of the loss of downs, whichever is better field position.
5. If the offensive team fails to cross midfield, on 3 downs, and elect to "punt" on 4th down, possession of the ball changes and the opposition starts its drive from its own 5-yard line. If the offensive team goes for it on 4th down and does not cross midfield, the opposing team will start its possession from the spot.
6. Teams change sides after the first half. Possession changes to the team that started the game on defense.

Rusher The defensive player assigned to rush the quarterback to prevent him/ her from passing the ball by pulling his/her flags or by blocking the pass.

Metal Cleats are not allowed.

Players must remove all jewelry or hats.

Players' jerseys must be tucked into shorts or pants if they hang below the belt line.

FIELD

1. The field dimensions are 70x200 ft, with two 5-yard end zones, and a midfield line-to-gain.

No-run zones precede each line-to-gain by 5 yards.

2. No-run zones are in place to prevent teams from conducting power run plays. While in the no-run zones (a 5-yard imaginary zone before midfield and before the end zone), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff. This applies to all divisions except 4U- the 4U division will not have any no-run zones.

3. Stepping on the boundary line is considered out of bounds.

4. Each offensive team approaches one no-run zone in each drive (5 yards from the goal line to score a TD).

Rosters

Rosters can have a max of 12 players, with a minimum of 7, unless permission is granted by league officials.

Teams must start games with a minimum of 7 players. In the event of an injury, a team with insufficient substitute players may play with 6 players on the field but no fewer than 6.

TIMING AND OVERTIME

1. Games are played on a 40 minute continuous clock with two 20 minute halves unless one team gains a 28-point advantage, which will then end as the game's final score. The game will continue, but no further scoring will be kept. Clock stops only for timeouts or injuries.

2. Halftime is three minutes.

3. Each time the ball is spotted, a team has 25 seconds to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced. Officials will count down out loud once there are 5 seconds remaining.

5. Officials can stop the clock at their discretion.

6. In the event of an injury, the clock will stop then restart when the injured player is removed from the field of play.

7. If the score is tied at the end of 40 minutes, the game will end in a tie during the regular season. An overtime period will be used to determine a winner during the league tournament..

Overtime format is as follows:

a. A coin flip will determine the team that chooses to be on offense or defense first.

i. If a second round of overtime must be played, the team that lost the coin toss will get to choose offense or defense for the start of the second round of overtime. This process continues with teams alternating who gets to choose to be on offense or defense to start out during every round of overtime.

ii. The referee will determine which end of the field the overtime will take place on.

b. Each team will take turns getting one (1) play from the defense's start line for one point. A run will qualify as one point attempt, and a pass is a two point attempt. Whether to go for one or two points is up to the offensive team. Whether or not the team that begins on offense converts the team that started on defense gets a chance on offense to win or tie by converting a one- or two-point play of their own. The defense may not rush the passer, but may cross the line of scrimmage if/once the ball is handed off. A pass that does not cross the line of scrimmage will be ruled a dead ball and scored as a failed attempt (please note, the passer may lateral the ball and the team may attempt a pass off the lateral). The passer will have a 7 second pass clock.

8. The Home Team for each game is responsible for providing one scorekeeper, and the visiting team must supply someone to operate the clock.

SCORING

1. Touchdown: 6 points
2. PAT (point after touchdown) 1 point (Run) or 2 points (Pass): 5 yard line
 - a. You MUST declare if you are going for 1 or 2 points.
3. Safety: 2 points
 - a. A safety occurs when the ball-carrier is declared down in his/her own end zone. Runners can be called down when their flags are pulled by a defensive player, a flag falls out, they step out of bounds, their knee or arm touches the ground, a fumble occurs in the end zone or if a snapped ball lands in or beyond the end zone.
4. Extra points that are returned equals 2 points.
5. A team that scores a touchdown must declare whether it wishes to attempt a 1-point conversion (run) or a 2-point conversion (pass) from the 5 yard line. Any change, once a decision is made to try for the extra point, requires a charged timeout. A decision cannot be changed after a penalty.
6. Forfeits are scored 28-0 for the winning team.
7. The coaches, officials and scorekeeper must sign the score sheet. If a coach does not sign the score sheet before leaving the field, the official will note on that score sheet and the score will be FINAL.

COACHES

Only two coaches per team are allowed on the sidelines.

Coaches are expected to provide a positive example for players, and must abide by the rules and display respect towards officials, spectators, and the opposing team.

LIVE BALL/DEAD BALL

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The official will indicate the neutral zone and line of scrimmage.
 - a. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, the official may give both teams a “courtesy” neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession in the air is considered inbounds as long as one foot comes down in the field of play.
4. The defense may not mimic the offensive team signals by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. This will result in an unsportsmanlike conduct penalty.
5. Substitutions may be made on any dead ball.
6. Any official can whistle the play dead.
7. Play is ruled “dead” when:
 - a. The ball hits the ground.
 - b. If the ball hits the ground as a result of a bad snap.
 - c. The ball-carrier’s flag is pulled.
 - d. The ball-carrier steps out of bounds.
 - e. A touchdown, PAT or safety is scored.
 - f. The ball-carrier’s knee or arm hits the ground.
 - g. The ball-carrier’s flag falls out.
 - h. The receiver catches the ball while in possession of one or no flag(s).
 - i. The 7 second pass clock expires.
 - j. Inadvertent whistle.

NOTE: There are no fumbles. The ball becomes a dead ball. (If the ball is fumbled forwards then it will be spotted where the ball carrier lost possession.)

8. If an inadvertent whistle occurs with no time left on the clock at halftime or end of game, the offense will have one untimed down. The offense can replay the down from the original line of scrimmage.

RUNNING

1. The ball is spotted where the ball is when the flag is pulled.
2. The quarterback cannot directly run with the ball. The quarterback is the offensive player who receives the snap.
3. Only direct handoffs behind the line of scrimmage are permitted. Handoffs may be in front, behind or to the side of the offensive player but must be behind the line of scrimmage. The offense may use multiple handoffs. a. "Center sneak" play is not allowed. The QB is not allowed to handoff to the center on the first handoff of the play- the Center cannot be the first person to touch the ball on a handoff from the QB.
4. Absolutely NO forward laterals of any kind.
5. No-run Zones are located 5 yards before each end zone and 5 yards on either side of midfield are designed to avoid short-yardage power-running situations. Teams are not allowed to run in these zones if the subsequent line is LIVE. (Reminder: Each offensive team approaches only TWO no-run zones in each drive – one 5 yards from midfield to gain the first down and one 5 yards from the goal line to score a TD).
6. Any player who receives a handoff can throw the ball from behind the line of scrimmage.
7. Once the ball has been handed off in front, behind or to the side of the quarterback, all defensive players are eligible to rush.
8. Runners may not leave their feet to advance the ball. Diving, leaping or jumping to avoid a flag pull is considered flag guarding.
9. Spinning/Jump Cuts are allowed, but players cannot leave their feet to avoid a flag pull. a. Players spinning out of control will be called for flag guarding.
10. Runners may leave their feet if there is a clear indication that he/she has done so to avoid collision with another player without a flag guarding penalty enforced.
11. No blocking or "screening" is allowed at any time.
12. Offensive players without the ball must stop their motion once the ball has crossed the line of scrimmage. No running with the ball-carrier.
13. Flag obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player's hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.

PASSING

1. All passes must be from behind the line of scrimmage, thrown forward and received beyond the line of scrimmage.
 - a. All passes that do not cross the line of scrimmage, whether received or not, are illegal forward passes.
 - b. The quarterback may throw the ball away to avoid a sack. Pass must go beyond the line of scrimmage.
2. Shovel passes are allowed but must be received beyond the line of scrimmage.
3. The quarterback has a seven-second "pass clock." If a pass is not thrown within the seven seconds, the play is dead, the down is consumed and the ball is returned to the line of scrimmage. Once the ball is handed off, the 7-second rule is no longer in effect.
 - a. If the QB is standing in the end zone at the end of the 7-second clock, the ball is returned to the line of scrimmage (LOS).
 - B. If a QB is being rushed and the pass rusher passes the line of scrimmage, the QB can then become the runner, including in areas designated as no running zones.

RECEIVING

1. All players are eligible to receive passes (including the quarterback if the ball has been handed off behind the line of scrimmage).
2. Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage and no motion is permitted toward the line of scrimmage.
3. A player must have at least one foot inbounds when making a reception.
4. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
5. Interceptions are returnable on conversions after touchdowns (2 points).

RUSHING THE PASSER

1. All players who rush the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback. Players not rushing the quarterback can defend on the line of scrimmage.
2. Once the ball is handed off, the seven-yard rule no longer is in effect and all defenders may go behind the line of scrimmage.
3. A special marker, or the referee, will designate a rush line seven yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.
 - a. A legal rush is:
 - i. Any rush from a point 7-yards from the defensive line of scrimmage.
 - ii. A rush from anywhere on the field AFTER the ball has been handed off by the quarterback.
 - b. A penalty may be called if:
 - i. The rusher leaves the rush line before the snap crosses the line of scrimmage before a handoff or pass – illegal rush (5-yards from the line of scrimmage).
 - ii. Any defensive player crosses the line of scrimmage before the ball is snapped – offsides (5-yards from line of scrimmage).
 - iii. Any defensive player not lined up at the rush line crosses the line of scrimmage before the ball is passed or handed off – illegal rush (5-yards from the line of scrimmage).
 - c. Special circumstances:
 - i. Teams are not required to rush the quarterback with the seven second clock in effect.
 - ii. Teams are not required to identify their rusher before the play.
4. Players rushing the quarterback may attempt to block a pass; however, contact to the QB, unless ruled incidental by the official, would result in a roughing the passer penalty.
5. The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in an impeding the rusher penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
6. A sack occurs if the quarterback’s flags are pulled behind the line of scrimmage. The ball will be spotted where possession of the ball is once the flag is pulled.
 - a. A Safety is awarded if the sack takes place in the offensive team’s end zone.

FLAG PULLING

1. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
2. Defenders can dive to pull flags but cannot tackle, hold or run through the ball-carrier when pulling flags.
3. It is illegal to attempt to strip or pull the ball from the ball-carrier's possession at any time.
4. If a player's flag inadvertently falls off during the play, the player is down immediately upon possession of the ball and the play ends. The ball is placed where the flag lands.
5. A defensive player may not intentionally pull the flags off of a player who is not in possession of the ball.
6. Flag guarding is an attempt by the ball-carrier to obstruct the defender's access to the flags by stiff arming, dropping the head, hand, arm or shoulder or intentionally covering the flags with the football jersey.

FORMATIONS

1. Offenses must have a minimum of one player on the line of scrimmage (the center) and the quarterback must be off the line of scrimmage.
 - a. One player at a time may go in motion 1-yard behind and parallel to the line of scrimmage.
 - b. No motion is allowed toward the line of scrimmage.
2. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.
3. The center may snap the ball with a rapid and continuous motion between his/her legs to a player in the backfield, and the ball must completely leave his/her hands. Side snaps are allowed.

UNSPORTSMANLIKE CONDUCT

1. If the field monitor or referee witnesses any acts of intentional tackling, elbowing, cheap shots, blocking or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. The decision is made at the referee's discretion. No appeals will be considered. FOUL PLAY WILL NOT BE TOLERATED!
